(Speaking)

How you doing sweetheart? hey ah you know these last
few months we've been
Togetha, have been so right and I'm just so happy for
what we share, I've been
Wondering how do you feel?

(1st Chorus)

I wanna get lost in love with you (oh yeah?)
And do all the things you want me to
Caress your body, touch you softly
Cuz boy I love you sooo (and I love you too baby)
(Repeat)

The love we share is something so especial
Estar contigo is all I wanna do every night
Ever since el primer dia, the first day
I knew we'd last forever if I had it my way
So the days go on, no hago otra cosa, but dream about
the moments our hearts
Will come close
Holding tu mano, and your face tan bonita, never met
another young lady
Senorita
And that is why I gotta say that you're the best
A million and one ways just to express
Mi amor, I know that we will be together, so sing to me
baby and sing forever

(2nd Chorus)

I wanna be with you always
Together forever 'till our ending days
Hold me baby don't let go
Making love like never before
(Repeat)

Making love in the night time
Walks and romance
I'm telling you hermosa
My heart is in a trance
They say that true love is so hard to find
I thank the man up above

For making you mine
Talking on the telephone sending you kisses
A dozen of roses just to say that I am missing
The warmth of your body right next to mine
Eres tu la mejor like a toast of fine wine
Out to the movies maybe sharing some ice cream
Si estoy dormido, don't wake me from my dream
Todo lo que quiero, all I need is your affection
My life was fine, but you brought perfection
Now we sit here just holding hands
Whispers in my ear tell me that I'll be your man
Today, manyana, in a paradise for two
I feel the same way cuz I'm so in love with you

(3rd Chorus)

I love the way you make me feel
My love for you is oh so real
Embrace my body, touch me softly
Love me 'till the morning
(Repeat)

You know that love we share is just something so
special
The tenderness, I just don't know what to say girl
What you say to me?
One more time do it like this, come on

(Back to 1st Chorus)

I wanna get lost in love with you
And do all the things you want me to
Caress your body, touch your softly
Cuz boy I love you sooo

(Back to 2nd Chorus)

I wanna be with you always
Together forever 'till our ending days,
Hold me baby don't let go
Making love like neva before
