((VERSE 1 boyy))

Before I let you go
I wanna let you know
How I never will leave you, cause I love you so
We'll be together forever and build a happy home
I'll be your man and you my sexy lady
With the things you do
you drive me crazy
so tell me girl, are you really ready?
Cuz of you I'm the person I am
for you i will do all that i can to protect you
You're my lady and you mean so much
I just cant wait to feel the slide of your touch, (yeah)
I'll be there for you, you'll be there for me
Hopelessly romantic, baby are meant to be
