[Chorus: Angelina]

When i was a little girl,  
I would sit and dream,  
Hopin' I would find,  
find that perfect man  
Now that i can see,  
true reality  
Tear drops fill my eyes,  
cuz there is no Perfect man

[Interlude]

It seems like everyone in this world is lookin for  
perfection  
but how do we find something that doesn't exist?  
know what I'm sayin'? mamasita

[Verse 1:]

I would give my life for you, no matter what the  
situation last days of hope, trials and tribulations  
frustrations, killin every woman and man  
if you can see what i see, then you might  
understand that i could never be a perfect man,  
up in this chaos a soul, with a musical  
dream like armadias  
I've given everything, sweat, blood 'n tears  
and made a vow to the lord to stay for a million  
years i guess too much is never enough,  
when the silence in our souls begins to erupt  
so forgive me girl, if i ruined your plan  
cuz i can try, but never be a perfect man

[Chorus: Angelina]

When i was a little girl,  
I would sit and dream,  
Hopin' I would find,  
find the perfect man  
Now that i can see,  
true reality  
Tear drops fill my eyes,  
cuz there is no Perfect man  
(Yeah dedicated to my little girl, daddy loves you Deja.)

[Verse 2:]

11/98, god blessed me with a perfect baby girl,  
such in perfect world,  
i cried when she took her first breath  
why god? when the world is filled with hate and  
disease  
most fought over seas, and weather catastrophes,  
fall into this new millennium,  
she'll be one and a half, too young to  
understand and lord know, this man and  
his lives aren't perfect,  
my mistakes saw her learnin' points  
hopin she can learn from them  
so many caught up  
in the fast lane  
lovers of themselves greed or lust

her little hand guidance, man  
her little heart, holdin on my trust  
I'm at awe with my destiny  
i can't believe im staring gods master piece  
face to face, you'll never  
understand how much you've changed this man  
who has to learn from scratch.  
on how to raise a woman  
cuz if perfection is needed, i guarantee to be  
everything she dreams

[Chorus: Angelina]

When i was a little girl,  
I would sit and dream,  
Hopin' I would find,  
find the perfect man  
Now that i can see, (yea)  
true reality (this goes out ...to the girl that i love)  
Tear drops fill my eyes,(i love you baby..best  
believe that)  
cuz there is no Perfect man

[Verse 3:]

there's been some time wit me, you were still shinin'  
who'd imagine, it'd be you i'd be findin'  
some one so real, who took care' my heart  
anybody, if they'd try, couldn't' pull us apart  
you were there from day one, til this present time  
working hard for the money when i couldn't get mine  
you should be the definition of what love really is  
i know every man wish their girl was like this  
i put you through some things,  
best believe that i'm sorry  
my love goes out to you, no one fits your category

you don't' talk back, and respect what i say.  
independent, strong woman  
no time for child's play  
deserve more than i got  
and you still stick around  
i'm not the perfect man  
but for you, i'll bow down.  
i wanna be your man til the lord takes us to the clouds.  
ain't no perfect man, but perfect women are  
around.....

[Chorus: Angelina]  
When i was a little girl,  
I would sit and dream,  
Hopin' I would find,  
find the perfect man  
Now that i can see,  
true reality  
Tear drops fill my eyes,  
cuz there is no Perfect man
