In all the dreams I've had,  
I hear you calling.  
Asleep in memory,  
My love, my deep blue sea.  
In my dreams I know you'll never leave.

Got out the ocean,  
I hear her calling.  
She's got me all loved up,  
I'm just in harmony  
She's a darling girl, a serpent in my sea.

Well it's love, love, love, now it's only love.  
Well it's love, love, love, now it's only love.  
Well it's love, love, love, now it's only love.

Ey!

(Instrumental)

In all the love we shared,  
I hear her calling.  
A distant heartbeat that  
Won't keep me away -  
If you don't go, I wont go.

I got the love buzz and now I'm falling,  
Girl won't pick me up when I am most at need.  
She's a darling girl, a serpent in my sea.

Well it's love, love, love, now it's only love.  
Well it's love, love, love, now it's only love.  
Well it's love, love, love, now it's only love.

(Instrumental)

Well I know myself I'll never go.  
By myself I can never be.  
Well myself, I will never go.

Well it's love, love, love, now it's only love.  
Well it's love, love, love, now it's only love.

Well it's love, love, love, now it's only love.
