I can't forgive, you while you live
I should be alive, you should have died

Guy you know I am gonna haunt your mind

Now lay down and sleep
Pray your soul to keep
Now your days are few
Soon you'll be here too

Guy you know I am gonna haunt your mind

You couldn't wait to dig my grave
To bury me beneath the path I paved
Guy you know there is no fire escape in hell

I can't forgive, you while you live
I should be alive, you should have died

Guy you know I am gonna haunt your
Guy you know I am gonna haunt your
Guy you know I am gonna haunt your mind
