Rock, rock  
Give me that rock  
That hip, that rock  
Give me that funky

Yo stick it in red  
We got the cred  
No need to say what's already been said  
Don't need to please  
When we got the proof  
We be on our knees  
When we raise the roof  
Cause we got the  
One pot mix of flavor  
We got the funky Jesus blazer  
No equal  
Diverse people  
Come get it now  
Won't be a sequel

None of that mumbo jumbo  
Give me that hip hop funk soul  
Give me that funky Jesus music  
Give me that soulful gumbo

Give me that funky  
Funky Jesus Music  
Give me that hip, that rock, that funky soul  
Give me that juicy flow

Give me that funky  
Funky Jesus Music  
Give me that hip, that rock, that funky soul  
And watch this party grow  
Let's go

Look at them freaks, they fashion loud  
Making that hotness, moving that crowd  
Bumping that jump with a life injection  
Sweet to the ears like the candy section  
Hits to the eyes

Feels so fly  
Passion that just won't subside  
We got this winner's ball  
So check it out  
Gonna watch 'em fall  
We're going back  
We're going way back

From coast to coast  
This is the most  
We got beats and rhymes  
And aftershows  
We got funky people on the highs and lows  
MC's like we they call us pros  
So, sure shot, I could take stock  
of this  
I'll play the post in the b-boy bliss  
See, we bum rush with no discussion  
A red hot show with freak production
