Here I go, I'm on my way with my love glasses on,  
glasses on  
Got my love glasses on  
Here I go, I'm on my way, I see more clearly and I feel  
strong.

More more more more more, there's got to be so much  
more to this life  
Oh, My my my my heart is racing just to know what it is  
like

More than I could expect, anticipate, or imagine  
I'm willing to believe amazing things are still happening

I'm gonna live the rich life, the full and blessed life  
So if y'all know what I mean, put your hands up and  
declare with me  
Love in full effect, Chaim!  
I'm gonna live the good life, beautiful and glorious life  
So if y'all know what I mean, put your hands up and  
declare with me  
Love in full effect, Chaim!

Here I go again on my mission to give it all, give it all  
Cause I'm aware that what I share will come back with  
good measure  
Pressed down, shaken together and runnin over

Life life life life life is whatever I receive it to be  
Whoa, Why why why why not jump over doubt and dive  
into belief?

More than I could expect, anticipate, or imagine  
I'm willing to believe amazing things are still happening

I'm gonna live the rich life, the full and blessed life  
So if y'all know what I mean, put your hands up and  
declare with me  
Love in full effect, Chaim!  
I'm gonna live the good life, beautiful and glorious life  
So if y'all know what I mean, put your hands up and  
declare with me

Love in full effect, Chaim!

No eye has seen, nor ear has heard  
My faith is breathing only because I hear these words  
Exceeding and abundantly more than we could even  
ask or think  
Surpassing all human understanding I've been given  
this amazing peace

I'm gonna live the rich life, the full and blessed life  
So if y'all know what I mean, put your hands up and  
declare with me  
Love in full effect, Chaim!  
I'm gonna live the good life, beautiful and glorious life  
So if y'all know what I mean, put your hands up and  
declare with me  
Love in full effect, Chaim!

I'm gonna live the rich life, the full and blessed life  
So if y'all know what I mean, put your hands up and  
declare with me  
Love in full effect, Chaim!  
I'm gonna live the good life, beautiful and glorious life  
So if y'all know what I mean, put your hands up and  
declare with me  
Love in full effect, Chaim!
