Todo todo todooooo
Todo todo todooooo
Todo todo todooooooooo

This is no time to hide on my weakness
Without you it will never be the same
I'm still hiding from the sun
Still walking on my own

But nothing else matters cause I
I need your love
I need your love
Nothing else matters cause I
I need your love
I need your love
Cause nothing else matters cause I

Another day another sleepless night
Loneliness is tearing me apart
Still hiding from the sun
Still walking on my own

Nothing else matters cause I
I need your love
I need your love
Cause nothing else matters cause I
I need your love
I need your love
Cause nothing else matters cause I

Todo todo todooooo
Todo todo todooooo
Todo todo todooooooooo

And nothing else matters cause I
I need your love
Nothing else matters cause I
I need your love
Nothing else matters cause I
I need your love
Nothing else matters cause I
I need your love

Nothing else matters cause I
Nothing else matters cause I
