\*Groove the boogie down  
Down the hall

\*Repeat (3x)

You out of sight, sight. You lose yourself  
Let groove tonight boogie boogie down hall  
We izzy in the beat D.J. know what it is  
If out of sight, sight, no one can  
Alright, gotta let you know, girl  
Let me tell you B. what you can do my love  
You can piece your mind yeah on the floor  
Yeah baby T.A.K.E. a little time girl

Let this groove  
Get you to move  
It's alright (alright x2)  
Let this groove  
Step in the shoes and stand up  
It's alright (alright)

AM D.J. Dax time your favorite on  
Blow the yazz let the groove get moving  
Lose yourself let the groove get moving  
Move yourself drive 747  
Let groove tonight, share the spice of life  
AM D.J. Dax groove the boogie down hall  
Yeah baby T.A.K.E. a little time girl  
M.C. groove, stand up step in the shoes

Let this groove  
Get you to move  
It's alright (alright)  
Let this groove  
Step in the shoes so stand up  
Alright (alright)
