Yeah-ay, yah-ah
Yeah-ay, ah-ah

Purple teeth; Purple liquid courage
Deserve a purple heart
I wanna swim inside your salty eyelids
Just like a shark

Damn, I'm a head case
Doc gave me a new face
Even my problems got problems

Baby blackout and fix them
In conclusion, where's my drink been?
I was born in my skin
Now I'm withering to get in
I say we let love loose like dogs
Baby full of stitches, full of glitches
They're too dull to cut us

I've got sunshine in my bones
How do I get it out to them?
I'm a police escort into heaven
And come back, come back again

Damn, I'm a head case
Doc gave me a new face
Even my problems got problems

Baby blackout and fix them
In conclusion, where's my drink been?
I was born in my skin
Now I'm waiting for it to kick in
I say we let love loose like dogs
Baby full of stitches, full of glitches
They're too dull to cut us

Says he's got his daddy's looks
But he's got the devil in him
How could you expect me
Not to tear you apart

I was born inside a tornado

Baby blackout and fix them
In conclusion, where's my drink been?
I was born in my skin
Now I'm waiting for it to kick in
I say we let love loose like dogs
Baby full of stitches, full of glitches
They're too dull to cut us

I was born inside a tornado
Yeah-ay, yah-ah
Yeah-ay, yah-ah
I was born inside a tornado
Yeah-ay, yah-ah
Yeah-ay, ah-ah
