Hey  
What they gone told you 'bout me  
No way  
There ain't no wild child in me  
No, no  
No-one gonna de-claw me  
Stray like a cat in the street

Hey  
Tell me are you in or are you out  
Give you something to talk about  
On the edge of doubt

Make you fall like domino  
Oh baby boy  
Make you fall like domino  
You don't have a choice

From LA to New York  
I don't want a trail of hearts  
Play you like a game tonight  
Watch you fall down, down, down just like...

Dominos, dominos, domino-oh-oh-oh-oh-os  
Dominos, dominos, domino-oh-oh-oh-oh-os

Now  
Got your tummy all in knots  
No way  
I don't need no pillow talk  
No, no  
You're gonna need a new compass  
To follow me now I'm gone

Hey  
Tell me are you in or are you out  
Give you something to talk about  
On the edge of doubt

Make you fall like domino

Oh baby boy

Make you fall like domino  
You don't have a choice

From LA to New York  
I don't want a trail of hearts  
Play you like a game tonight  
Watch you fall down, down, down just like...

Dominos, dominos, domino-oh-oh-oh-oh-os  
Dominos, dominos, domino-oh-oh-oh-oh-os

Domino-oooh-oh-oooh-oh-oh-oh  
Thought I told you so  
Domino-oooh-oh-oooh-oh-oh-oh  
That's the way you go

Domino-oooh-oh-oooh-oh-oh-oh  
Thought I told you so  
Domino-oooh-oh-oooh-oh-oh-oh  
That's the way you go

Make you fall like domino  
Oh baby boy  
Make you fall like domino  
You don't have a choice

From LA to New York  
I don't want a trail of hearts  
Play you like a game tonight  
Watch you fall down, down, down just like...

Dominos, dominos, domino-oh-oh-oh-oh-os  
Dominos, dominos, domino-oh-oh-oh-oh-os

Dominos, dominos, domino-oh-oh-oh-oh-os  
Dominos, dominos, domino-oh-oh-oh-oh-os
