Three, Three,
3 is the new 2
Tell me what you wanna do
3 is the new 2
Tell me what you wanna do
What you wanna do
What you wanna do
3 is the new 2
Tell me what you wanna do
3 is the new 2
Tell me what you wanna do
3 is the new 2
Tell me what you wanna do
What you wanna do
What you wanna do
3 is the new 2
Tell me what you wanna do

You told me about your fantasy
About adding a third party
Are you sure you wanna take it there
Then maybe we can take it there
Calling your girl on the phone
So we can set it up later on
Just tell me where you want me to be
I'll bring coke? and Hennessey
And we can get it on?

3 is the new 2
Baby, bring your girlfriend when you come through?
A whole lot of freaky little things that we gonna do
If that's your fantasy
Then I'm feeling you
Baby 3 is the new 2
Baby, don't forget about your girlfriend when you come
through?
A whole lot of freaky little things that we gonna do
If that's your fantasy
Then girl I'm feeling you

I must admit I'm a wild type of dude
But I think I met my match? with you

With your freaky attitude
And you're always in the mood
I can't believe you caught me off guard
If we're gonna do it then we gotta go hard
There ain't no turning back
Once we all get in the sac

3 is the new 2
Baby, bring about your girlfriend when you come
through?
A whole lot of freaky little things we gonna do
If that's your fantasy
Then girl I'm feeling you
Baby 3 is the new 2
Don't forget about your girlfriend when you come
through?
A whole lot of freaky little things we gonna do
If that's your fantasy
Then girl I'm feeling you

Tonight is gunan be X-rated yeah
And tt turns me on knowing that you wanna tape it
And watch it over and over
And over and over and over and over
You're so freaky?

3 is the new 2
Tell me what you wanna do
3 is the new 2
Tell me what you wanna do
What you wanna do
What you wanna do
3 is the new 2
Tell me what you wanna do
3 is the new 2
Tell me what you wanna do
What you wanna do
What you wanna do

3 is the new 2
Baby, bring about your girlfriend when you come
through?
A whole lot of freaky little things we gonna do
If that's your fantasy
Then girl I'm feeling you
Baby 3 is the new 2
Don't forget about your girlfriend when you come
through?
A whole lot of freaky little things we gonna do
If that's your fantasy
Then girl I'm feeling you

3 is the new 2
Baby, bring about your girlfriend when you come
through?
A whole lot of freaky little things we gonna do
If that's your fantasy
Then girl I'm feeling you
Baby 3 is the new 2
Don't forget about your girlfriend when you come
through?
A whole lot of freaky little things we gonna do
If that's your fantasy
Then girl I'm feeling you
