yeah vitamin V you already know ..dreams you know

chorus:

anything it takes get back to you girl it dont' even matter search the entire world up until the moon and back cross the seven seas it don't even matter girl to me you're everything you walk, you you walk you walk, you you walk you walk you walk you walk i start not ... I'll find you up

shawty really is to fact i cannot hide like an angel hear from heaven sometimes i feel like i die girl explain to see you bring out the best of me let's take a trip to Paris and go on to shop the wrong take the black car 'cause you're a 5 star if you leave it up to me yeah the best is what you see yeah time is on our side so baby let's fly

are you ready for the good life baby then we ..all alone if you were gone I've been sayin I'll be all alone

[Chorus:]

i feel like we:re home it's a little bit of ... always ...so high around you now I'm taking hit ..the body is gonna trip and i want something more .. ...all the other girls is ... .. last i ever had no need the way you sign oh you're mine you're mine, you're mine ...good life baby we've been all lone

## you were gone ...I've been sayin

[2 x Chorus:]
