Have on yo Bra Top

I'm doin 80 on da feeway headin 2 u
And I've been workin hard all day thinkin bout u
How was ur day (mine was fine)
But I couldn't get u (off my mind)
U've had a stressful day but baby I can love that pain

(I'll light sum candles
Take out a bottle)
Let me lay ur body down
While u make them sexy soundz
I just wanna give it to you
My pretty baby
There's nothin like makin love 2 u
It drives me crazy
