[Verse 1]

It's been a while since we spent quality time
I miss ya pretty face baby, (you're a dime)
I've been on tour for a while and
I'm coming home today girl
I've been reminiscing and I'm ready (to light that fire)
You wanna touch me baby (Ooh that's what I desire)
I'm touchin down arond noon
Can you pick me up from the airport
I gotta see you

[Chorus]

I wanna see you now
Can't wait 'til later
I wanna lay you down
Can't wait 'til later
Is it on your mind?
Do you want it like I want it? (Ooh)

I gotta see you now
Can't wait 'til later
I wanna get wild
Can't wait 'til later
Is it on ya mind?
Do you want it like I want it?

[Verse 2]

Make sure you wear that little dress (that I like)
And those stilletoes with the straps (show them thighs)
You know that turns ya boy on
But ya birthday suit is the ultimate
(Your body wants emotions mixed with emotions)
Laying on the sofa then turn that body over
(In my mind I see this but seeing is believing)
Don't let me down girl
I'll see you at the airport

[Chorus x2]

[Bridge]

I'mma serve it good all because it's mine
(Jus come on through the door)

I'mma take my time it's a special night
(Until you say give me more)
Got the wine on chill White Zinfandel
(That's your favorite baby)
I'm clappin' two times to dim all of the lights
I can't wait to see you

[Chorus]
