CUM BABY
CUM BABY
CUM BABY

I've been waiting for this night so long
We're about to make love with our clothes on
I've been waiting for this night for so long
I've been waiting for this night so long
You're about to...
Yeah, yeah!
Baby, let's go!

CUM BABY
CUM BABY
CUM BABY

I've been waiting for this night so long
We're about to make love with our clothes on
We got no bottles, we got no bottles, we gonna drink it
on
I'm.... on that booty so, so
And I just wanna slide them panties off
Can't take my hands off, hit you 'till the sun go off
And we ain't got to do...
I'm a... all night long!

Chorus
I want to taste you tonight (please)
Cum baby, cum baby (please)
I want to taste you tonight (please)
Cum baby, cum baby!

Now baby move your body all around
Something like a merry go round
Damn, I got you going, can't stop now
Freaking you everywhere, you like when I go there
Is just me and you going down
I love it when you make me down, oh
Baby! ...

Chorus: (x2)

I want to taste you tonight (please)
Cum baby, cum baby (please)
I want to taste you tonight (please)
Cum baby, cum baby!
