Oh oh oh oh oh (yeah yeah yeah)check this out

Verse 1:

When she come and pick me up we just be  
cruisin(cruisin)  
Riding down p street with the music up loud  
System in the back  
In the lap oh yeah she get down like that  
But from her head down to her toes she's a lady(lady)  
She always got my back she never shady (shady)  
She steadily on the grind but I'm always on her mind  
and she's on mine

Chorus:

She got that gangsta love  
I can't get a enough  
When she pick me up she be swervin rollin in a clean  
old school on them 22's (oh yeah)  
White bits with the drop top  
You know how she do

She got that gangsta love  
I can't get enough  
When we hit the club  
She be spendin dubs shown ruff  
Just like one of my homies  
She's my one and only  
Ghetto gangsta queen  
You know how she do

Verse 2:

We hit the club you know we poppin bottles (bottles)  
She standin next to me lookin like a model (model) uh  
Leave dem check, air force ones lookin fresh  
And all the fellas are checkin her out  
But some of yall fellas stop acting like you can't relate  
(relate)  
Cause iv'e been looking for a girl dat covers so long  
She don't be buggin me, got her own money  
That's the type of girl that you need (oh yeah)

Chorus:

She got that gangsta love  
I can't get a enough  
When she pick me up she be swervin rollin in a clean  
old school on them 22's (oh yeah)  
White bits with the drop top  
You know how she do

She got that gangsta love  
I can't get enough  
When we hit the club  
She be spendin dubs shown ruff  
Just like one of my homies  
She's my one and only  
Ghetto gangsta queen  
You know how she do  
( CHORUS X2)

Verse 3:  
Now let me take this time just to tell you  
I'm feeling everythang about you  
Coke bottle body, love to get naughty  
That's why you my shawty

She got that gangsta love  
I can't get a enough  
When she pick me up she be swervin rollin in a clean  
old school on them 22's (oh yeah)  
White bits with the drop top  
You know how she do

She got that gangsta love  
I can't get enough  
When we hit the club  
She be spendin dubs shown ruff  
Just like one of my homies  
She's my one and only  
Ghetto gangsta queen  
You know how she do
