Good love, good love, yay  
Don't it feel good?  
She about to blow my mind

[Chorus]  
She knows what I like  
Shorty's also good to me  
She swears I'm like a drummer  
She can't get enough of me  
Boys over them hoes  
Everytime she calls  
I swear, I swear, shorty is for real  
Hammer time time, hammer time time  
Hammer time, ooh I think she really wants  
Hammer time, time  
Hammer time, ooh, hammer time, time

She always wants me for a little overtime

...

Hop in the fast lane, see you in 5  
She said "whenever you want"  
I know she'll give it time after time  
And I swear that I'm still waitin'  
She's calling, I pick up the phone  
Girl, give me 10 minutes  
She got me like "Oh"  
When you gon awaken  
Tell me when you finish  
That good love, good love yay  
Don't it feel good?  
She 'bout to blow my mind

[Chorus]  
She knows what I like  
Shorty's also good to me  
She swears I'm like a drummer  
She can't get enough of me  
Boys over them hoes  
Everytime she calls  
I swear, I swear, shorty is for real  
Hammer time time, hammer time time  
Hammer time, ooh I think she really wants

Hammer time, time, hammer time, time  
Hammer time, ooh, hammer time, time

Baby, I want you when you want me too  
Girl

...  
Love it when we're f-ckin'  
You'll be coming often girl

...

[Chorus]

She knows what I like  
Shorty's also good to me  
She swears I'm like a drummer  
She can't get enough of me  
Boys over them hoes  
Everytime she calls  
I swear, I swear, shorty is for real  
Hammer time time, hammer time time  
Hammer time, ooh I think she really wants  
Hammer time, time, hammer time, time  
Hammer time, ooh, hammer time, time
