Verse: 1

It's a sexy night cause rain drops are fallin outside,
I'm lookin through my rolodex and come across your
name,
I'm dialin up your digits glad your number the same
and
Here we go again, be careful cause the roads are
slippery
Outside, when you get here it's gon be slippery inside,
all across
The house I'm gonna take you for a ride, cause
Here we go again.

Chorus: x2

Here we go again
Cause I can't get enough
Enough of you love I wanna show you so
Let's do it again (let's do it again)
Let's do it again (let's do it again)

Verse: 2

Greet you at the door wit a sexy hug, hopefully it turns
Into us layin on the rug twistin and turnin you on top
Of my love and here we go again (here we go again)
Sweatin like we in a sauna ooh it feels so good you can
Hear the sounds all through the neighborhood almost
Time for work 6 am but I don't care cause
Here we go again.
