(Yum diddy dum diddy um)

How many tears can you cry when you're sad and
lonely?
And how many tears can you cry when someone makes
you blue?
That's a question I'm still unable to answer
'Cause I can't stop my cryin' over you

(Yum diddy dum diddy um)

How many lies can you can you count when you just
can't sleep at
Night?
And how many lies can you count before your heart is
free?
That's a question I'm still unable to answer
'Cause I'm still countin' the lies you told to me

(Yum diddy dum diddy um)

There's just no end to all the broken promises that I
recall
I was a fool to fall for you
It hurts to know you played a game and went and had
yourself a ball
And through it all made me blue

(Yum diddy dum diddy um)

How many tears can you cry when it all is over?
And how many tears can you cry when you want
someone new?
That's a question I'm still unable to answer
'Cause I can't stop my love for you

(Yum diddy dum diddy um)

(Yum diddy dum diddy um)

That's a question I'm still unable to answer
'Cause I can't stop my love for you

How many tears... FADE
