You can't tell me you don't miss bobby,
You can't tell me you don't love bobby,

No more, no more

You can't tell me you don't miss bobby,
You can't tell me you don't love bobby,

No more, no more (you can't tell me you don't miss
bobby)

You can't tell me you don't miss bobby,
You can't tell me you don't love bobby,

No more, no more

You can't tell me you don't miss bobby,
You can't tell me you don't love bobby,

No more, no more (bobby, you can't tell me you don't
miss bobby)
