[Verse 1:]

Never have I wanted
Someone like this before
Now we are all alone
Let me explain it more
A little romance girl, is all that's on my mind
Tonight we could fly so high
I'll do all the things you like

[CHORUS:]

(If it's all right, can I...)
Come lay next to you girl
(If it's okay, can I play...)
And climb into your world
(I know it's late, but I can't wait)
I need to feel you now
This is my love dream

[Verse 2:]

Time after time girl, these thoughts race through my
mind
When I'm asleep girl, I dream ya body's next to mine
I wanna wake up to ya smile and look into your pretty
eyes
I'm glad you fell off that cloud and now your here with
me now

[CHORUS 2x:]

(If it's all right, can I...)
Come lay next to you girl
(If it's okay, can I play...)
And climb into your world
(I know it's late, but I can't wait)
I need to feel you now
This is my love dream

[HOOK:]

If it's alright, can I...
If it's okay, can I play...
If it's alright, can I...
If it's okay, can I play...
I know it's late, but I can't wait

If it's okay, can I play...
This is my love dream

[CHORUS:]
(If it's all right, can I...)
Come lay next to you girl
(If it's okay, can I play...)
And climb into your world
(I know it's late, but I can't wait)
I need to feel you now
This is my love dream

If it's alright, can I...
I just wanna need you, baby
If it's okay, can I play...
I know it's late, but I can't wait (cant wait)
This is my love dream

Girl anything
Any complication
Everybody, I just wanna letcha
I've been dreaming about this girl
Oh baby
Oh baby
