Ever made love in the hard way?
I don't think so!

Don't be afraid to use it!

Just riding through the streets
(Just riding through the streets)
Been .. in the front moving to the,

Put a little red , on the lips..
You see it, you want it, I want it!
I'm speeding down this street,
And I notice you,
Baby won't you,

Chorus:

I'm gonna take a ride
Yeah, yeah
It's the show,
We're night riders!
Take a ride, ride, ride,
We're night rider, rider, rider
Night rider, rider, rider, rider
We're going full speed in my night rider!

, ain't nothing like my,
This.. feel something
When I was a little boy riding in my night rider,
That' my favorite toy!
You've seen it, you want it, I know it
I'm speeding down this street, you know this, babe
And I notice you , .

Chorus:

I'm gonna take a ride
Yeah, yeah
It's the show,
We're night riders!
Take a ride, ride, ride,

We're night rider, rider, rider
Night rider, rider, rider, rider
We're going full speed in my night rider!

Cars so black, I'm so black, ought to be a,
Got room for three for you and me
Hit the gas and now we're rolling
I'm the, out in the freeway

Run to the crib,
Never had a.. like this,
Go and make a wish, I never had a car like this
I never had a car like this
It's ridiculous!

Chorus:

Take a ride, ride, ride,
We're night rider, rider, rider
Night rider, rider, rider, rider
We're going full speed in my night rider!
