Fool me, love me  
Kiss me, touch me  
Treat me like I never did before  
Skip the bed, we gon stay here on the floor

The way you kiss me so softly, I get to love it  
Loving that we made, never felt it  
I donâ€™t want nobody else but you  
Girl you do to me what the others canâ€™t do

Youâ€™re my heart, girl  
Soul soul  
What? Oh no  
Youâ€™re my heart, girl  
Soul soul  
What? Oh no

These girls ainâ€™t got nothing on you, nothing on you  
Nothing on you, I swear it  
Ainâ€™t got nothing on you, nothing on you  
I donâ€™t care about the other girls lyin  
Other girls tryin to tear us apart  
No, they got nothing on you, nothing on you

She needs me, wants me  
To love her unconditionally  
Never met a girl thatâ€™s down like her before  
I got it all but we heard itâ€™s much more

The way you kiss me so softly, I get to love it  
Loving that we made, never felt it  
I donâ€™t want nobody else but you  
Girl you do to me what the others canâ€™t do

Youâ€™re my heart, girl  
Soul soul  
What? Oh no  
Youâ€™re my heart, girl  
Soul soul  
What? Oh no

These girls ainâ€™t got nothing on you, nothing on you

Nothing on you, I swear it  
Ainâ€™t got nothing on you, nothing on you  
I donâ€™t care about the other girls lyin  
Other girls tryin to tear us apart  
They ainâ€™t got nothing on you, nothing on you

The way you kiss me so softly, I get to love it  
Loving that we made, never felt it  
I donâ€™t want nobody else but you  
Girl you do to me what the others canâ€™t do

Youâ€™re my heart, girl  
Soul soul  
What? Oh no  
Youâ€™re my heart, girl  
Soul soul  
What? Oh no

These girls ainâ€™t got nothing on you, nothing on you  
Nothing on you, I swear it  
Ainâ€™t got nothing on you, nothing on you  
I donâ€™t care about the other girls lyin  
Other girls tryin to tear us apart  
They ainâ€™t got nothing on you, nothing on you

Nothing on you (you)  
Nothing on you (you)  
Nothing on you (you)

Nothing on you (you)  
Nothing on you (you)  
Nothing on you (you)
