[Verse 1:]

I'm looking out the window thinking about when we
shared everyday together those times we're good,
Now I'm a lonely traveler in and out of each town all I
got is memories and a photograph of you,
I miss you.

[Chorus:]

I'm on the edge and I'm breaking down cause I'm
hurting you and I don't wanna let you go,
Hurting you is really hurting me but honestly, girl I
don't wanna let you go.

[Verse 2:]

So I heard that you were seeing somebody else and I
broke down to my knees cause my angel is gone,
But I know you were meant for me so I'll just sit and
wait but for now I gotta travel this empty road all alone,
I still love you.

[Chorus: x2]

I'm on the edge and I'm breaking down cause I'm
hurting you and I don't wanna let you go,
Hurting you is really hurting me but honestly, girl I
don't wanna let you go.

[Bridge:]

I'm broken in two and I don't know what to do
contemplating on my next move should I leave you
alone should I come home my life ain't complete
without you
Baby, baby baby.
Baby, lady, lady.

[Lead Out:]

I'm on the edge and I'm breaking down cause I'm
hurting you and I don't wanna let you go, (but I don't
want to baby)
Hurting you is really hurting me but honestly, girl I
don't wanna let you go.
I'm on the edge and I'm breaking down (oh babe)
cause I'm hurting you (I'm on the and I'm broken in two

baby) and I don't wanna let you go,
Hurting you is really hurting me but honestly, girl I
don't wanna let you go.
Should I leave or should I go (oh)
(Ho oooo oh)
(Ho ooo oo woo ho)
Maybe one day we'll be together,
Back together.
