I'm popping my ass when I notice
... momma walk in...
Her bottom heels, checked!
Her nails... , checked!
It's time for me to put my...
... so jazzy, get super classy,
How do I play this hand,
What I've been doing?
...
Let me take you for a ride!

Chorus:
One night stand!
I noticed was it in your plan,
The only way to oh, oh,
Cause girl...
I know it's just the first night,
I know it's just the first night!
But I think I like her, I think I like her, I think I like her,
I think I like her, I think I like her, I think I like her!

I know it's just the first night!
I know you don't know me,
And I barely know you,
So won't you open up,
Let me... !
She says don't get down like that on our first night!
I say, it don't even matter cause you're my kind!
I gotta thank for you!
I gotta thank for you!
Don't worry what your friends may say,
They wish that they were in your place,
Come a little closer, baby!

Chorus: (x2)
One night stand!
I noticed was it in your plan,
The only way to oh, oh,
Cause girl...
I know it's just the first night,
I know it's just the first night!

But I think I like her, I think I like her, I think I like her,
I think I like her, I think I like her, I think I like her
