Wake up girl, I want some more  
Every time I look at you just can't get enough  
I just wanna be over, and over, over ..  
Call with your boy.

Now that you are here with me  
Baby, let's do it right  
Lady you know just what I need  
I want to hold you, oh, so tight  
Baby just touch me anywhere  
Because cutie you turn me on, ooh, baby.  
I like to run my fingers through your hair  
So come on and stay with me all night.

[Chorus]

I wanna rock wit'cha baby, girl, all night long,  
I want to roll wit'cha lady, feelings, feelings, so strong,  
I want to rock wit'cha baby, all night long girl,  
Why can't we rockin', rollin', rollin', rock, making sweet  
lovin', don't ever stop.  
No, oh no!

Uhh, about a little music now,  
Let's hear some Marvin Gaye.  
Uhh, let me rub your shoulders down,  
Let's dance the night away, yeah  
I feel your heart beat next to mine, baby I'll make you  
feel nice,  
I think I can tell what's on your mind and I know I can  
make it right.

[Chorus]

I wanna rock wit'cha baby, girl, all night long,  
I want to roll wit'cha lady, feelings, feelings, so strong,  
I want to rock wit'cha baby, all night long girl,  
Rockin', rollin', rollin', rock, making sweet lovin', don't  
ever stop.

You and me girl, just share a drink of wine  
Will be ..the one love them through the night  
Wish ..that we ..so right

Because we were meant ..love through the night.  
Give your lovin', just give me your lovin'

[Chorus]

I wanna rock wit'cha baby, girl, all night long,  
I want to roll wit'cha lady, feelings, feelings, so strong,  
I want to rock wit'cha baby, all night long girl,  
Rockin', rollin', rollin', rock, making sweet lovin', don't  
you ever stop.  
Baby, baby, baby, baby, all night long
