Wake up girl, I want some more
Every time I look at you just
Just can't get enough
Know what I'm say?

Same thing over and over, and over again
Just like, you know what I'm sayin'
Just, just come get your boy
Yeah

Now that you are here with me
Baby, let's do it right
Lady, you know just what I need
I want to hold you, oh, so tight

Baby, just touch Bobby anywhere
'Cause cutie, you turn me on, ooh, baby
I like to run my fingers through your hair
So come on and stay with me all night

I wanna rock wit'cha, baby
All night long
I wanna roll wit'cha, lady
Feelin' so strong

I wanna rock wit'cha, baby
All night long
Rockin', rollin', rollin', rock
Makin' sweet love, don't you ever stop, no, oh no

Ooh, how 'bout a little music now
Let's hear some Marvin Gaye
Ooh, let me rub your shoulders down
Let's dance the night away, yeah

I feel your heart beat next to mine
Now baby, I'll make you feel nice
Now I think I can tell what's on your mind
And I know that I can make it right

I wanna rock wit'cha baby
Girl, all night long

I wanna roll wit'cha lady
Feelin' so, feelin' so stronger, yeah

I wanna rock wit'cha baby
All night long, girl
Rockin', rollin', rollin', rock
Makin' sweet love, don't you ever stop

You and me girl, should share a drink of wine
We'll be one, no one, lovin' through the night
We're so lucky that we found a love so right
'Cause we were made to love all through the night

Give me your lovin', just give me your lovin'
All night long

I wanna run, I wanna run
I wanna run, I, I, wanna run
I wanna run, I wanna run
I wanna run, I, I, wanna run

I wanna run, I wanna run
I wanna run, I, I, wanna run
Rockin', rollin', rollin', rock
Makin' sweet love, don't you ever stop

I wanna run, I wanna run
I wanna run, I, I, wanna run
I wanna run, I wanna run
I wanna run, I, I, wanna run
I wanna run, I wanna run
