Girl if you're ready
I'm gonna get a telly
And we're gonna get it crackin baby
So tell me where to trouble you
To meet me at the W
Let's finish what we started baby
Tell Me

Girl if you're ready
I'm gonna get a telly
And we're gonna get it crackin baby
So tell me where to trouble you
To meet me at the W
We can do it all night long
Just me and you

Everytime we get close
You ask why I'm rushing
We can take it slow
But tell me baby (Why do you resist this)
The love I got
Will turn you inside out (Girl I'll have you twisted)
Let me touch you in your favorite spot lady
Let me make your body hot

Girl if you're ready
I'm gonna get a telly
And we're gonna get it crackin baby
So tell me where to trouble you
To meet me at the W
Let's finish what we started baby
Tell Me

Girl if you're ready
I'm gonna get a telly
And we're gonna get it crackin baby
So tell me where to trouble you
To meet me at the W
We can do it all night long
Just me and you

Cut your cell phone off (Do not disturb sign on the door)
I'm 'bout to break you off
Having you saying (More and More, More and More)
I'm so exciting baby
To taste your candy frame
We gonna be some satin sheet lovers
In between the covers
I'm gonna make you scream my name

Girl if you're ready
I'm gonna get a telly
And we're gonna get it crackin baby
So tell me where to trouble you
To meet me at the W
Let's finish what we started baby
Tell Me

Girl if you're ready
I'm gonna get a telly
And we're gonna get it crackin baby
So tell me where to trouble you
To meet me at the W
We can do it all night long
Just me and you

Slip into your silk bath robe
Now let's take it slow
From the bed to the floor (I know you're ready)
Order up your favorite dish
Whatever you wish
It's on me (I know you're ready)
The center ???
Is in the air
Bubble bath's preparin
Just how you like it
We ain't checkin out 'til 3
I hear your body its calling me
