I saw you walking
Down on Melrose
You looked like an angel
Straight out of heaven, girl
I was blown away by
Your sexiness
And all I have to do is catch up to you

Slow down
I just wanna get to know you
But don't turn around
Cause that pretty round thing looks good to me
Slow down
Never seen anything so lovely
Now turn around
And bless me with your beauty
Cutie

A butterfly tattoo
Right above your naval
Your belly buttons pierced too just like I like it, girl
Come take a walk with me
You'll be impressed by
The game that I can kick to you
It's so thorough and real, yeah

Like a flower fully bloomed in the summertime, you're
ready
To be watered by this conversation, (I know) you're
ready
I'm in awe cause you shine like the sun
Let me be the one to enjoy you
Let's kick it, girl

Slow down
I just wanna get to know you
But don't turn around
Cause that pretty round thing looks good to me
Slow down
Never seen anything so lovely
Now turn around
And bless me with your beauty

Cutie

Slow down

I just wanna get to know you

But don't turn around

Cause that pretty round thing looks good to me

Slow down

Never seen anything so lovely

Now turn around

And bless me with your beauty

Cutie

Oh baby, you know by now that I want you bad

I'm floating on open air, I can't come down

Cupid hit me already, damn

Now I can't leave till seven digits are in my hand, my
hand

Like a flower fully bloomed in the summertime, you're
ready

To be watered by this conversation, (I hope) you're
ready

I'm in awe cause you shine like the sun

Let me be the one to enjoy you

Let's kick it, girl

Slow down

I just wanna get to know you

But don't turn around

Cause that pretty round thing looks good to me

Slow down

Never seen anything so lovely

Now turn around

And bless me with your beauty

Cutie

Slow down

I just wanna get to know you

But don't turn around

Cause that pretty round thing looks good to me

Slow down

Never seen anything so lovely

Now turn around

And bless me with your beauty

Cutie

Bless me with your beauty, baby

Slow down

Never seen anything so lovely

God damn

Slow down
I just wanna get to know you
But don't turn around
Cause that pretty round thing looks good to me
Slow down
Never seen anything so lovely
Now turn around
And bless me with your beauty
Cutie
