Chorus:

'Cause you know I want it  
So come wind it up for me  
Now baby don't tease me  
I need to feel what's in your jeans  
'Cause you're so bad, bad bad bad  
Bad bad bad bad  
Baby you are so bad bad bad bad  
Bad bad bad bad  
You're so bad

Shawty is bed the whole damn place  
She pull the trigger and don't ever hesitate  
But you're too bad... me alone  
Let's hit it we can split it baby we can get it on  
My... to get... baby we can... on me  
Playin 1 eleven when you're riding on me  
... what's up girl, can I touch girl  
You keep it up and I'ma give it to you wrong
