[Bobby Talking]

Hey baby, come here for a second
I don't like the way he treats you
He don't deserve you, for real
He really don't
Check this out

What kind of man would leave you standing in the cold
Must have been a silly one to sacrifice a pot of gold
You're the kind of woman who needs a man that's
always there
It's not that you require a lot, just need some tender
love and care

Chorus:

I give good love
I'll buy your clothes
I'll cook your dinner too
Yeah, soon as I get home from work

I'll pay your rent
Your faithful lover
Oh baby, soon as I get home, soon as I get home from
work
Girl I'll treat you right and I'll never lie
For all that it's worth
I'll give good love
(Good love, good love, good love, good love)

It doesn't make sense that you should have a broken
heart
Well if I were the only one
I would never let you fall apart
You're the kind of woman that needs a man with lots of
cash
With a stack of major credit cards and with me, you
don't have to ask

Chorus:

I give good love
I'll buy your clothes
I'll cook your dinner too

Oh baby, soon as I get home from work

I'll pay your rent

Your faithful lover

Oh baby, soon as I get home, soon as I get home from work

Girl I'll treat you right and I'll never lie or flirt

Soon as I get home, soon as I get home from work

Girl I'll treat you right and I'll never lie

For all that it's worth

I'll give good love

(Good love, good love, good love, good love)

[Chorus until fade]
