Shorty put on my t-shirt (t-shirt)

Shorty put on my t-shirt (t-shirt)

Shorty put on my t-shirt (t-shirt)

Ok,

(?) kinda fine

Oh girl you remind ok

Of the new (?) with the soft stuff all inside

Damn you look good, really really good

I wanna put it on your baby, let me keep it hood

You look good in them jeans but it look better on the floor

Wanna put you on my team baby, I'm gon let you score

But you gotta wear my uniform, can't wait to see it on you

I wanna see you in that uniform, its gon look fine on you

[Chorus]

We gon be stuntin in my white tee

You don't need no white tee

Sexy in a black tee, nothing needed underneath

Except for them red bottoms

You look like a million dollars

You make me wanna do it do it do it

Baby turn around, look me in my eyes

Tell me do you want me

I've been looking all night

Dress fit tight, shorty you're my type

Whats goin on(?) later

And put on your

Stillettoes and your t-shirt

Make sure you put on your

Stillettoes and your t-shirt

We come over

Stillettoes and your t-shirt

Make sure you put on your

Stillettoes and your t-shirt

[repeat]
