Yeah

If you don't wanna love me

You don't wanna love me

If you don't wanna love me

You don't wanna love me

I got memory and the world
is back, one dream

And I, looking for

someone lil more

different, yeah

I've been her ones

I've been her twice

Close and turning in

middle of her eye

And lil she is wrong

And lil she is right

I hope you won the won

The second her no more

If you don't wanna love me

You don't really love me

Tell me if I nothing for my girl

Do you really love you

Way see I love you

Wondering of not for my girl

My girl [x4]

Wondering of not for my girl

If you don't wanna love me

You don't wanna love me (come on)

Baby I know that you

feel you can't deny

But I, gotta keep my

gouts with hope deny (yeah)

Hope you really love me

Baby I'll be searching

Trayna find the girl like you

I hope that I know playful

Wondering of not for my girl
My girl [x4]
Wondering of not for my girl
