Oh na na, oh na na, oh na na
Spotlights on you girl, even know cause it's best
All these girls up in here, I don't see nobody else
Spotlights on you girl dj's playing our song
I'ma come and get you girl, we will dance all night long
Oh na na, oh na na, oh na na
Dancing all night long, even do it
What's your name, what's your name, what's your
name?
Before you go I wanna know
What's your name, what's your name, what's your
name?
Before you go I wanna know

Girl she a winner, fool she a winner
Whatever she wanna do, I'ma do it with her
Wherever she wanna go, I'ma go with her
I really want her
She's so fine, she's my kind
Let's have fiesta, forever, together, reality â€¦
Take me on the floor, dance all night, just me and you,
me and you

Spotlights on you girl, even know cause it's best
All these girls up in here, I don't see nobody else
Spotlights on you girl dj's playing our song
I'ma come and get you girl, we will dance all night long
I'ma come and get you girl, we will dance all night long
Oh na na, oh na na, oh na na
Dancing all night long, even do it
What's your name, what's your name, what's your
name?
Before you go I wanna know
What's your name, what's your name, what's your
name?
Before you go I wanna know

Ok, â€¦ in the club in the corner, great is so sweet
folding marijuana
See a pretty girl sitting at the bar
Walk up to her, what's her name, have her number

Yeah, I know you sitting back I'm looking at you
Seen a lot of girls not look like you
They got the fiesta come sticking like glue
Come € tell me what you wanna do
Girl I will rock your world you know I got that thing
It's € as I seen, back on your feet,
the spotlight turning girl dance with me, ok

Spotlights on you girl, even know cause it's best
All these girls up in here, I don't see nobody else
Spotlights on you girl dj's playing our song
I'ma come and get you girl, we will dance all night long
I'ma come and get you girl, we will dance all night long
Oh na na, oh na na, oh na na
Dancing all night long, even do it
What's your name, what's your name, what's your
name?
Before you go I wanna know
What's your name, what's your name, what's your
name?
Before you go I wanna know
Oh na na, oh na na, oh na na.
