pour 2 shots of patron, yeah,
let your mind go elsewhere, ah
lay back baby smoke on, pass on baby
just free your mind and let's go there baby, ah
when I'm in your mind, we ain't even gotta have sex
it's like I'm hitting you from behind

you know i love that body
but this is bout your mind
cause this ain't just a sex thing
cause I'll put in the time
tell me what's your fears, I'm sensing that you need
this
your conscience is a strong one, i can see your secrets
when I'm up in it, when I'm up in it
when I'm up in it, when I'm up in it

want 2 more shots of patron
just floating on your cloud, so sexy
just give the best you got
great don't tell me if I'm wrong
for wanting you, loving you
all of you
baby let me in, is this a sin girl
oh I'm in your mind, all the time

you know i love that body
but this is bout your mind
cause this ain't just a sex thing
cause I'll put in the time
tell me what's your fears, I'm sensing that you need
this
your conscience is a strong one, i can see your secrets
when I'm up in it, when I'm up in it
when I'm up in it, when I'm up in it

take 3 more shots of patron,
got me singing like drizzy,
I'm all in her mind, she feeling so dizzy, yeah
i don't know where she at, whoa
this ain't no synthetic
this is all that real,faded

this ish right here stupid

you know i love that body
but this is bout your mind
cause this ain't just a sex thing
cause I'll put in the time
tell me what's your fears, I'm sensing that you need
this
your conscience is a strong one, i can see your secrets
when I'm up in it, when I'm up in it
when I'm up in it, when I'm up in it.

tell me what's your fears, I'm sensing that you need
this
your conscience is a strong one, i can see your secrets
when I'm up in it, when I'm up in it
when I'm up in it, when I'm up in it.
