We were cool when we first started off,
We hit if off.
Now it just won't be the same.
You turned away when it got rough,
When the going got tough.
Like you don't wanna talk.

[Chorus:]

Why you wanna treat me so bad?
So bad, so bad
Why you wanna see me so sad?
So sad, so sad
(Oh Yea)

I asked my mother, what should I do?
Cause I'm confused.
I can't eat and I can't sleep.
Friends keep telling me that I should move on,
And find a new love,
But so hard for me

When we talk over the phone you disrespect me,
Try to check me.
I just wanna work it out.
Calling me out my name,
Girl you know you doing me wrong,
Why you so wrong?

[Chorus:]

Girl, why you wanna treat me so bad?
So bad, so bad
Why you wanna see me so sad?
So sad, so sad

Girl, why you wanna treat me so bad?
So bad, so bad
Why you wanna see me so sad?
So sad, so sad

(Ooh Baby)

You change your number on me,
It's not even listed.

Moved to another city,
Do you hate me?
We put in so much time,
Guess this is my last cry.
I try, I try

[Chorus:]
Why you wanna treat me so bad?
So bad, so bad
Why you wanna see me so sad?
So sad, so sad

And Girl, Why you wanna treat me so bad?
So bad, so bad
And Girl, Why you wanna see me so sad?
So sad, so sad
[Repeat 4x]
