"Would You Be"

Visit "[Would You Be](#)" on MotoLyrics.com

I'm sure by now you can read me like a letter
When my feelin' is on my sleeves so you see them
better
Makes me wanna say it on my twitter
Let everybody know that I'm ridin' wit'cha

And when I'm not around you
I feel out of place
'Cause I just wanna be around you
The chemistry is so cool

Wanna say it plain and simple
Let's make this official, official

Ooh, would be my shawty, shawty, my lady, lady
My homie, homie, homie
Bless me, be my shawty, shawty, my lady, lady
My homie, homie, homie

Ooh, would be my shawty, shawty, my lady, lady
My homie, homie, homie
Bless me, be my shawty, shawty, my lady, lady
My homie, homie, homie, homie

Me and you go together like milk and cookies
I love you even you acting kinda moody
That's how I know I gotta lock you down
Trust me when I tell you I never let you down

Let's stay together like George and Wizzie
[Incomprehensible]
Sportin' on my whips on flex
Natural progressing what's next?

Ooh, would be my shawty, shawty, my lady, lady
My homie, homie, homie
Bless me, be my shawty, shawty, my lady, lady
My homie, homie, homie

Baby, would be my shawty, shawty, my lady, lady
My homie, homie, homie
Bless me, be my shawty, shawty, my lady, lady

My homie, homie, homie

Baby, would be my shawty, shawty, my lady, lady
My homie, homie, homie
Bless me, be my shawty, shawty, my lady, lady
My homie, homie, homie

Ooh, would be my shawty, shawty, my lady, lady
My homie, homie, homie
Bless me, be my shawty, shawty, my lady, lady
My homie, homie, homie, homie

Ooh, hoo
I can't explain the way that I feel if you say, yes
Ooh, hoo
I've had girlfriends but never a homie, homie, homie,
homie

Ooh, hoo
I'll change my ways, it's all about you if you say, yes
Ooh, hoo
I've had girlfriends but never a homie, homie, homie

Baby, would be my shawty, shawty, my lady, lady
My homie, homie, homie
Bless me, be my shawty, shawty, my lady, lady
My homie, homie, homie

Ooh, would be my shawty, shawty, my lady, lady
My homie, homie, homie
Bless me, be my shawty, shawty, my lady, lady
My homie, homie, homie

Ooh, would be my shawty, shawty, my lady, lady
My homie, homie, homie
Bless me, be my shawty, shawty, my lady, lady
My homie, homie, homie

Ooh, would be my shawty, shawty, my lady, lady
My homie, homie, homie
Bless me, be my shawty, shawty, my lady, lady
My homie, homie, homie, homie

My lady, lady, lady, lady, lady, lady
My homie, homie, homie, homie, homie, homie
My lady, lady, lady, lady, lady
My lady, lady, lady, lady, lady

My homie, homie, homie, homie, homie
My lady, lady, lady, lady, lady
My homie, homie, homie, homie, homie

My lady, lady, lady, lady, lady

My homie, homie, homie, homie, homie

My lady, lady, lady, lady, lady

My homie, homie, homie, homie, homie
