Chorus:

Oh, hey, hey

It's time to say off

It's time to... off

Just stepping on the scene, you know what I mean

Cause when we're setting off, the ladies taking off

We're stepping on the scene, you know what I mean

You know what I mean, you know what I mean, you

know what I mean

I say it's time to set it on, time to set it off

Here we go behind, I'll just be...

Aha, I think she knows it

She's got diamonds on his everything

Aha, I think he's loaded,

Too much do not have cameras on

That's why I think he's loaded

Too much, do not have cameras on

That's why I think she's loaded

You know... bad bitches at every show

She says she loving my swag, that's how that melody goes

She think I'm her... and it's her time, and it's ready to blow

So I grab my... tell her I'm ready to go

Hey, she know who it is

We're about to slide into the crib...

Chorus:

It's time to say off

It's time to... off

Just stepping on the scene, you know what I mean

Cause when we're setting off, the ladies taking off

We're stepping on the scene, you know what I mean

You know what I mean, you know what I mean, you

know what I mean

Talk... cruising down the streets of Atlanta

Met a cute... says she was a dancer

Told me that... and she a rider

I know she love me cause the way I get inside her  
... spend this money, shopping at the mall  
You know how we ball...

Chorus:

It's time to say off  
It's time to... off  
Just stepping on the scene, you know what I mean  
Cause when we're setting off, the ladies taking off  
We're stepping on the scene, you know what I mean  
You know what I mean, you know what I mean, you  
know what I mean

... we should make music  
Truly she gonna do this  
She's so impatient, now we're racing like she need...  
Told her I'm not color, I'm a...  
You think she's on my... it doesn't matter  
I got so much swag she thinks I'm the...  
... me and Bobby V from the city to the...  
Shawty says she's doing it

Chorus:

It's time to say off  
It's time to... off  
Just stepping on the scene, you know what I mean  
Cause when we're setting off, the ladies taking off  
We're stepping on the scene, you know what I mean  
You know what I mean, you know what I mean, you  
know what I mean
