Verse 1:

Hard to enjoy life
Life that you're living
It's bad when you feel there's nothing gained from all
that you're giving
Feel loved by no one
Try to tell someone
Hoping they understand

Chorus:

Tender Heart
How long can you go?
(Until true love finds it's way)
Just hold on
You will be okay yayay, yayay yayay

Verse 2:

In this cold society
Is there anyone worth trusting?
Concept of feeling so alone is just plain depressing
Your loved ones have betrayed you
Your old friends forsake you
But there's Someone who understands

[Chorus]
