Verse 1:

Sometimes I'm feeling like I'm low  
Then I'm feeling high  
Sometimes I think I gotta smoke  
Just to get by  
Sometimes I'm drinking  
And I ain't trying to let the song play  
Sometimes I'm thinking  
And I worry about it all day  
Sometimes I wanna just fly with no stress at all  
Sometimes I hit the mall and bawling and just spend it  
all  
Sometimes I want a girlfriend  
Then I want a BITCH  
Sometimes I hate myself for saying all that dumb SHIT  
But I ain't tripping man  
Sometimes I be feeling low but what it is  
Is the stress of the unknown  
Sometimes I look up in the mirror and I think I'm  
cool  
Sometimes I look up in the mirror and feel like a tool  
Sometimes I never wanna even get out of bed  
Sometimes I think about the shit I heard that someone  
said  
Sometimes I worry that my girl gonna break it off  
Sometimes I worry that she'll laugh when she take  
it off  
But I ain't tripping man  
I'm living for the best for me  
Sometimes I'm feeling like I got the wrong recipe  
But if I let myself dwell on the dumb shit  
Then I'll be running out of time for the fun shit  
Sometimes I'm thinking that I might wanna go to  
school  
Sometimes I'm thinking fuck that I don't like the  
rules  
Sometimes I'm thinking that I probably ain't getting  
it right  
Sometimes I think so much that I can't sleep at  
night

Chorus:

Sometimes life gets hard  
Sometimes it gets easy  
Sometimes I'm hot  
And Sometimes I'm uneasy, but it's all good  
Caus sometimes my mind be playing tricks  
But i think I'll get out of this (X2)

Verse 2:

Sometimes I'm just like fuck it  
Throw the towel  
Man I've been here for a while  
But sometimes I get to wondering and start to think  
how  
What's the deal? What's everybody jobs and  
occupation  
And what the fuck is up with all this blogs and  
conversations  
And my hearts racing  
Trying to make a living for myself  
There's a million motherfuckers living in this hell  
It's like I'm living in a cell man  
Sometimes I don't quite know  
Am I living just to dag  
Or I'm living just to let go whoah  
I gotta get dope  
I gotta touch the ceiling  
But this motherfuckers act like they're the owners  
of the building  
So fuck you  
Sometimes I'm high  
Sometimes I rhythm  
Sometimes I look up  
Should I just mess that line up?  
So sometimes I fuck up  
But Keep it cool little man  
I'm 18 but I'm feeling like I'm little man  
Sometimes I'm thinking that I'm just a lonely  
middle man  
Sometimes I know fuck this little plan little man  
Got bigger plan  
I try to let my friends not give a fuck for what they  
thinking  
And I'm trying to get drunk without thinking about  
what I'm drinking  
What it's doing to me mentally  
Living elementary  
But just graduated from a school that wasn't meant  
for me  
So shit no hard feeling man  
Sometimes I let the thinking take over my feelings man  
Sometimes I'm crazier than anybody in this world

Sometimes I feel like everybody else in this world

Chorus

Sometimes life gets hard

Sometimes it gets easy

Sometimes I'm hot

And Sometimes I'm uneasy, but it's all good

Caus sometimes my mind be playing tricks

But i think I'll get out of this (X3)
