I live by the river on the wrong side of town  
Nothing much to do here but listen to the sound  
Of a train I'll never catch passin' me by  
Of the muddy water drinkin' the tears that I cry  
So I head you're comin' back with somebody else  
Well, if I had the time, if I had a little help  
Every bridge in Dickson County would be burning down  
tonight  
Every bridge in Dickson County would be burning down  
tonight  
I have to think of something, I just have to find a way  
Before you cross that river, before I see your face  
'Cause I can see your headlights and I can feel the pain  
And nothing's gonna save me if I see you again  
But if I could use this torch I carry to put it all to rights  
I'd be baptized in the ashes come the morning light  
And every bridge in Dickson County would be burning  
down tonight  
I'd pay the price, I'd take the blame  
If I could see it all go up in flames  
And if I could use this torch I carry to put it all to rights  
But if I could use this torch I carry to put it all to rights  
Dickson County
