If a love as strong as ours couldn't make it all the way  
Can anything make sense at all?  
If a love so deep and true couldn't stand the test of  
time  
Then Mount Everest could slide and Jerusalem could  
fall

Is nothing sacred anymore? Is forever just another  
word?  
Is a promise something people used to keep?  
When love was worth fighting for, if we can say  
goodbye  
If we can say goodbye, is nothing sacred anymore?

I can hear the final words, every sentence that was said  
Don't know what turned our lives around  
It doesn't matter who was right, there's no justice in a  
dream  
Never thought a heart could break without making any  
sound

Is nothing sacred anymore? Is forever just another  
word?  
Is a promise something people used to keep?  
When love was worth fighting for, if we can say  
goodbye  
If we can say goodbye, is nothing sacred anymore?

Our love was as certain as the dawn  
As solid and safe as any love could be  
Our love was a star you wish upon  
And you thought that I'd save you  
Could've sworn that you save me

Is nothing sacred anymore? Is forever just another  
word?  
Is a promise something people used to keep?  
When love was worth fighting for, if we can say  
goodbye  
If we can say goodbye, is nothing sacred anymore?

Is nothing sacred anymore?
