Yeah, she love this song, cause I'm on this song

You looking at me girl with those big old pretty eyes
And the world's most beautiful smile
I just can't say no
Gotta show you love for making me feel so good inside
You can bet that your boy gonna ride, for sure, for sure
And if you wanna see the world, I'm gonna buy you a
map
You know, just show me where you wanna go
Cause there ain't nothing in the world I won't do
For my baby, my baby

If you ask me what I want, I
Just wanna make you happy
I just wanna make you happy
I just wanna make you happy X 2
Girl

And the way you hold it down and keep it real
Man I never a chick so treat
It blows my mind
And you got a little thuggin in you too, and girl I like
that
And it's for you that I stay on my grind

So if you ask me for the world, I would ask how to give
it
To me, is there anything else you need
Cause there ain't nothing in the world I won't do
For my baby, my baby

If you ask me what I want, I
Just wanna make you happy
I just wanna make you happy
I just wanna make you happy X 2
Girl

And I just wanna ... my ... that means anything you
wanna be
Baby I'm gonna get it for you

Yeah, and I just gotta let you know
You are better than my old chick, I'm gonna make sure
you stay brand new
Brand new, brand new, brand new, brand new, yeah

So if you ask me what I want, I
Just wanna make you happy
I just wanna make you happy
I just wanna make you happy X 2
Girl
