Imma take you home,
Imma take you home (homie homie take you home),
Ooo ooo ooo ooo ooo ooo,
The way she dancin' on the table it makes me wanna
throw a dollar,
She got no word she just came through,
Party girl I wanna holla,
I think I'll take you home (ooo ooo ooo ooo) x4
I THINK I'LL TAKE YOU HOME OOOO... x2,
Pimped house top floor,
That's where I do my thang,
Party girl take em off yeah,
I don'e even know your name,
All free (all free) come join me (come join me),
Imma beat it up, beat it up, heat it,
So tell me watchu think about that,
You know I'm down if you bout that, yeaaaaaah,
The way she dancin' on the table it makes me wanna
throw a dollar,
She got no word she just came through,
Party girl I wanna holla,
I think I'll take you home (ooo ooo ooo ooo) x4
I THINK I'LL TAKE YOU HOME OOOO... x2
In my pimped house, covergirl
