If you say that it's your birthday, you gonna see some

So how much you gonna make tonight well who's to say

Bitch it's not a joke, we sold up the show
If you want the money, pick it all off the floor
Straight from the go, I'm in the streets icing
My jays came from nike, v cut in my white teeth
Diamonds in my â€¦riding down the highway
Shawty in my vision, phantom in the driveway

Hit the club, â€¦blow it all every dollar
The way she dancing on the pole will make you throw a
lot of
Juicy J tipping shit, broad paying rent
Toss it in the air, watch her fight for every cent
Make that ass clap, while I'm sipping on some gin
The more she show off that she want it, the more I must
spend
I'm throwing money, turnt up on someâ€¦
Getting smoke out, â€¦drugs and alcohol, fuck
tomorrow

Fuck tomorrow, we came in to spend the shit tonight,
cash
Fuck tomorrow, we came in to spend the shit tonight,
cash
It's a lot of ones on the dance floor, cash
It's a lot of ones on the dance floor, cash
Fuck tomorrow, we came in to spend the shit tonight,
