

Chevy Woods "Things Change"

Visit "[Things Change](#)" on [MotoLyrics.com](#)

I ain't tryina go back to selling coke again
Police they tryina focus in,
Hunneds with these frozen gyms
Lions they had they noses in
Now my picture important for the camer I pose for him
Switching up the car so they can never know what I'm
rolling in

[Hook]

So you could play your part
Or fall a victim to the game
Me and my niggas used to hustle for the joy
But now things change

Now we getting this money, dividing slices of pie
And only thing that I want
Is what's rightfully mine
I'm talking shoot from a distance,
Them shooters rifling down
Paying for it, think about it
I just might not be around

[Hook]

So you could play your part
Or fall a victim to the game
Me and my niggas used to hustle for the joy
But now things change

Coke spots got ran in, yeah I was in em
Selling 50's out them, that was the beginning
Charlie Seen thing, coke team, we was winning
Knowing ryan sting, white balls, 9 in it

[Hook]

So you could play your part
Or fall a victim to the game
Me and my niggas used to hustle for the joy
But now things change

Now that a pig mean and that thing clean as water
Ocean view scene I done seen all the problems
9 for the bullshit, I've been ron harper

Out in LA, looking mean in my Dodger

[Hook]

So you could play your part

Or fall a victim to the game

Me and my niggas used to hustle for the joy

But now things change
