Now  
I can see  
What lies  
Ahead of me  
Waiting for  
This time until  
All I wanted  
Was fulfilled

Watch me closely  
I am dancing  
Watch me slowly  
I am crying

Watch me closely  
I am screaming  
Watch me slowly  
I am hiding  
I am here, I am here  
I am here

And now I wait to greet you  
You know I cannot call  
And though I cannot reach you  
The world still feels too small

I feel your heartbeat next to me  
I feel your heartbeat next to me  
I feel your heartbeat next to me  
I feel your heartbeat next to me

I feel your heartbeat next to me  
I feel your heartbeat next to me

I feel your heartbeat next to me  
I feel your heartbeat next to me

I am here, I am here

I am here, I am here

Now

I can feel  
The time  
It took to heal  
And I wait  
As you come near  
For answers  
To be made clear

Watch me closely  
I am dancing  
Watch me slowly  
I am crying

Watch me closely  
I am screaming  
Watch me slowly  
I am hiding  
I am here, I am here  
I am here, I am here  
I am here, I am here  
I am here

I feel your heartbeat next to me  
I feel your heartbeat next to me  
(Please, let me protect you)  
I feel your heartbeat next to me  
(I am here)  
I feel your heartbeat next to me  
(Seek my own to someone talk to)  
Please, let me protect you  
I feel your heartbeat next to me  
I feel your heartbeat next to me

I feel your heartbeat next to me  
I feel your heartbeat next to me
