Can't you see I hold it deep inside
Can't you feel the pain you caused in pride
At the point of crossing over
I sacrificed all there was to be

So what does it mean to you now
You ran away and kept the hate
Avoid the truth, escape the pain
Repress the past inside your mind
Not the way you planned it to be
And I'm suffering
Made a huge mistake
You ask how I feel about you?
How can I deal without you?
At least I'm alive like you wanted to be
Alone like you wanted to be
Alive

Sacrificed all there was to be

Can't you see I hold it deep inside
Can't you feel the pain you caused in pride
At the point of crossing over
I sacrificed all there was to be

You ran away and kept the hate
Avoid the truth, escape the pain
Repress the past inside your mind
Not the way you planned it to be
And I'm suffering
Made a huge mistake
You ask how I feel about you?
How can I deal without you?
At least I'm alive like you wanted to be
Alone like you wanted to be
Alive like you wanted to be
Alone like you wanted to be
Alive

Escape the pain, avoid the truth
It's all inside your mind
It's all inside your mind

It's all inside your mind
It's all inside your mind
It's all inside your mind
It's all inside your mind
It's all inside your mind
It's all inside your mind

(Destroyed myself)
