Motionless in time
My instincts are a crime
Eventually he'll see
It's swirling into me
The air surrounds my mind
I'm swimming through the sky
Please liquefy my need
I cannot learn to breathe

Can't keep pretending not to hate
Just take me down and shred my fate
This time you've got me bound and tied
My turn is up, your time to hide
These anxious ties restraining me
Forgive me now, I must go free
I'll liquefy your needs
You will not learn to breathe

You will not learn to breathe

There's no escaping now, you see
'Cause time is suffocating me

I cannot learn to breathe

Motionless in time
My instincts are a crime
Eventually he'll see
It's swirling into me
The air surrounds my mind
I'm swimming through the sky
Please liquefy my need
I cannot learn to breathe

(Can't keep pretending not to hate)
Motionless in time
(Just take me down and shred my fate)
My instincts are a crime
(This time you've got me bound and tied)
Eventually he'll see
(My turn is up, your time to hide)
It's swirling into me

(Eventually I'll raise my way)
The air surrounds my mind
(Control the body, choose to stay)
I'm swimming through the sky
(Forgive me now, I must go free)
I cannot learn to breathe
